Please ensure you read and understand the following terms and conditions that apply to your accommodation rental. If you (hereafter called the *client*) have any queries, please contact me (hereafter called the *owner*) for clarification before you sign the booking form (which can be downloaded). To speed up a reply please e-mail me a completed booking form and post a hard copy to me duly signed together with the correct deposit required.

Whilst we reserve the right to amend our prices at any time, we will confirm you the current price at the time of booking. As soon as we have confirmed your reservation, the price of the rental is guaranteed. This guarantee is offered subject to our terms and conditions.

We reserve the right to refuse to accept a booking without reason.

These terms and conditions are written in order to clarify to you how the booking procedure in Tower Lake Villa is undertaken and operated. It also explains how the cancellation procedure works in the unlikely event that you have to cancel a booking

1 **BOOKING** ([back to top](#))

The booking form (which can be downloaded) must be completed by the client who must be over 21 years of age. It must be filled in electronically in 'Microsoft Word' format and e-mailed back to the owner at www.towerlakevillaflorida.com. The completion and signing of the booking form shall be deemed as an acceptance of the 'Terms and Conditions' and shall be an undertaking by the client that they have the authority to act on behalf of the persons named on the booking form including any substitutions or additions by any subsequent agreed amendments to the booking.

The booking is not accepted until the completed booking form and payments have been received into the owner's account. A payment by cheque/check, or any other un-cleared form of payment will not be accepted until the payment has cleared successfully. You can alternatively pay using PayPal. A booking is confirmed once an acknowledgement or receipt has been issued to the client. An invoice does not constitute an acknowledgement of a booking. If the booking is not accepted by me for any reason the deposit will be refunded in full. Amendments to or cancellation of a booking by the client will be subject to the provisions of Sections 5, 8 & 13 of these terms and conditions.

The accommodation cannot be shared, assigned or sublet and only the persons shown on the booking form are permitted to stay in the property. Any changes to the persons booked to occupy the house must be notified to and confirmed by the owners before occupancy commences (This is to comply with Florida State Law)

The property sleeps TEN people with an additional TWO people on a sofa bed plus ONE small infant in the travel/crib. The maximum number of people allowed to stay in the villa at any one time is 13. Persons/children under the age of 21 are not accepted unless accompanied by an adult over 21. The client is required to disclose on the booking form all the ages of guests staying at the villa.

Failure to comply with any of the two paragraphs (in *italics* above) can result in immediate eviction and the forfeiting of your booking fee. Failure to leave the premises under these terms will result in enforced action by the local Sheriff or Police.

The use of the BBQ/Grill is FREE and it is up to incoming guests to clean it to the standard they would like and top up the gas bottle as necessary (a wire brush is provided for this purpose – if it is not please let the owner know). The use of the BBQ/Grill is at the users risk and you are strongly advised to check the gas connection with soapy water before use.

TERMS & CONDITIONS

"Tower Lake Villa"

The BBQ/Grill is provided for guests for FREE, but if you wish to use it during your stay you need to notify the owner and fill in the appropriate section on the 'Booking Form' at the time of booking. Any breakages/damage to the BBQ/Grill should be reported to the management company when you arrive
Do not at any time leave the grill unattended when in use. Do not leave food on the grill after use as this will attract unwanted pests. Finally please leave the BBQ/Grill as you would wish to find it.

The gas cylinder is provided but if it is found empty it can be refilled at LOWES just down Bates Road, adjacent to Tower Lake – Calabay Parc. We cannot guarantee that there will be enough gas in the cylinder to last your stay. Keeping the tank filled is not the responsibility of the owner or management company.

2 ALTERATIONS TO CONFIRMED BOOKINGS ([back to top](#))

All requests to alter a confirmed booking must be made by the client in writing and will not be agreed until confirmed by the owner in writing. Whilst the owner will try to accommodate any request to alter a confirmed booking (subject to availability) there is no guarantee that any alteration will be possible. If an alteration is not acceptable to the owner and the client decides to cancel – the cancellation charges in Section 13 below will apply.

If any alterations/amendments are made to a confirmed booking, this may result in the price guarantee becoming void and the booking becoming subject to the prices in force at the time of the alteration.

If an alteration is made to a confirmed booking resulting in the number of nights/length of stay being reduced, no price reduction will be given from the original confirmed booking.

3 BOOKING DEPOSIT ([back to top](#))

On receipt of your deposit payment, an e-mail will be sent to confirm our receipt of your deposit. The cheque/check will be presented to the client's bank for clearance. On clearance of the deposit payment into our account, we will send out acknowledgement of clearance by e-mail to the lead guest using the e-mail address given on the booking form.

A non-refundable deposit is payable at the time of booking. The amount is specified on the 'Booking Form' (which can be downloaded from the owners website www.towerlakevillaflorida.com) and the balance is payable 8 weeks prior to the date of departure. If the booking is made 8 weeks or less from the date of departure, the full amount is required at the time of booking. The booking deposit will be treated as part payment of the total amount due. If the balance is not paid 8 weeks prior to the departure date, the owner shall have the right to cancel the booking without notice.

4 TRAVEL INSURANCE ([back to top](#))

The owner is not responsible for any loss of enjoyment or use of the house due to travel disruption. It is very important that you have adequate insurance cover and is a condition of this booking. All non US guests are also advised to have a policy that gives adequate medical cover for the US.

6 YOUR RESPONSIBILITIES

The client is required to check the property and facilities thoroughly and report any damage or missing items within 24 hours of check in. Any loss or damage not reported within this time will be responsibility of the lead guest and charged for accordingly.

The client/guests must treat the property, its furnishings, fixtures & fittings, utensils and other facilities with respect. Any loss, damage or problems relating to the property or its contents must be reported to the management company immediately.

The client is solely responsible for any damages, stains, breakage(s), or excessive use of the utilities that may be caused to the property or its contents and also for any loss in the inventory during their stay. The villa is inspected both before and at the end of each occupation to check that all is in order. If during the inspection it is found that the villa has been left in such condition that it warrants extra cleaning this will be carried out and deducted from the security deposit along with an administration charge. Charges for damages/losses or any maintenance/repairs to the premises, equipment, amenities or fixtures necessitated by misuse or neglect will be at the discretion of Tower Lake Villa. It is important that the property be left clean and tidy at the end of the rental period.

7 LIABILITY LIMITATIONS [\(back to top\)](#)

Although every effort is made to ensure that the villa is in perfect condition, Tower Lake Villa cannot accept responsibility for third party claims, accidents, damage to or loss of property or for any expenses incurred for any reason including changes caused by force majeure, regardless of however they may have occurred, nor can any responsibility be accepted for injury or accident caused as a result of the use of the pool. Guests are specifically requested not to allow children to use the pool unsupervised and to follow the guidelines set out and displayed by the pool and in the villa information book. GLASS is **NOT** permitted in the pool area.

8 PRICE GUARANTEE [\(back to top\)](#)

We accept no responsibility for price discrepancies on the website or any other marketing material you may see relating to Tower Lake Villa. All prices will be agreed and confirmed at time of booking. The rental price is for the villa and not per person and is fully guaranteed when the deposit has been paid and the acknowledgement/receipt has been issued by the owner, management company or agent.

9 SAFETY [\(back to top\)](#)

Use of the pool is at your own risk. No diving is permitted – a secure pool screen fences off the pool to protect children from falling in.

10 SWIMMING POOL HEATING & SPA [\(back to top\)](#)

The property has a swimming pool and spa. Swimming pools, spas and the surrounding areas are potentially dangerous. Guests are specifically requested not to allow children to use the pool or spa area unsupervised, not to swim or use the spa unaccompanied and not to swim or use the spa under the influence of alcohol, medication or other mind altering substances. The owner, management company or agent, do not accept liability for any accident, injury or death, howsoever caused, as a result of the use of the pool/spa area or as a result of slippery surfaces or by not using the pool safety screen.

For your safety and comfort the pool and spa is inspected, cleaned and if necessary, chemically balanced every week. The pool staff do not need to gain access to the interior of the villa to carry out this maintenance. On rare occasions it may be necessary to apply extra chemicals to the pool/spa to maintain safe and correct chemical levels. Should this occur during your stay it may be necessary for all guests to refrain from using the pool/spa for a period specified by the pool cleaning company's agent - this is a normal part of pool maintenance. Should this occur during your stay it will be necessary for you to be out of the pool for the above necessary period.

The heater is an electrical/mechanical device, as with any mechanical device it can be subject to electrical/mechanical failure. In such an event, every effort will be made to repair the heater. If the guest has paid for pool heat, then we shall refund only the days you are without pool heat. The owner cannot and will not refund anything that has not been paid for. Pool heating is also subject to weather conditions, the colder the weather the longer the heater will take to warm up the pool each day. If guests request pool heating to be turned on after their arrival they must be aware that it will take time for the pool to heat up but payment is required from commencement. The plastic blanket should be used to cover pool when not in use, especially at night to help to retain the heat. Guests are not permitted to touch the pool heater controls, any sign of tampering will result in the pool heat being turned off and you will forfeit your payment. Any problems with pool heating should be reported to the management company immediately.

TERMS & CONDITIONS

"Tower Lake Villa"

The guests also have use of the heated outside spa linked to the swimming pool via a cascade. Refer to the website section on 'Rental Rates' for the extra charge for pool heating. Pool heating is charged as an optional extra. I am unable to guarantee the water temperature with pool heating as this will depend on the prevailing weather conditions. The pool heater thermostat is set to heat the water in the pool to a maximum temperature of 85 degrees.

If guests should decide that they want the pool to be warm when they arrive the pool heater will need to be switched on 1 day beforehand to allow the large volume of water to reach the temperature set. Otherwise the prices quoted for pool & spa heating cover the heating for the number of days booked and the heating would be switched on in the morning of the guests arrival day. If you need the pool to be warm when you arrive then a payment for an extra 1 day will be payable at the rate quoted.
